reddot design award
winner 2015

AWARD-WINNING DESIGN

The stunning looks of the Mazda CX-3 are thanks to its award-winning 'KODO - Soul of Motion' inspired design. Distinctive LED headlights* and a silver-edged front grille* provide an aerodynamic and sleek appearance to the vehicle front. While the compact, sculpted body offers the sensation of enhanced speed and fluid driving.

Main image shows Mazda CX-3 GT in optional Soul Red Metallic and optional Ceramic Metallic paint. *LED headlights are standard from Executive SE grade, silver front grille is standard on GT grade.

THE START OF SOMETHING NEW

With its muscular shoulders and striking appearance, the Mazda CX-3 offers a new approach to compact vehicle design. Side chrome moulding* and 18" alloy wheels* with three-dimensional contoured spokes promise to turn heads, while the SKYACTIV body and chassis deliver the sporty, 'fun to drive' performance you expect from Mazda.

Mazda CX-3 GT in optional Ceramic Metallic paint. *Standard on GT.

IT'S HARD TO LOOK AWAY

The flowing profile of the Mazda CX-3 gives an impression of energy in motion. Slim, sharp headlights sweep into Mazda's signature wing to create an imposing front and profile view.

Mazda CX-3 GT in optional Ceramic Metallic paint.

FEELS LIKE HOME

Designed with the driver in mind, the spacious interior of the Mazda CX-3 offers quality that's built to last. Sculptured deco panels and detailed stitching provide a luxurious finish to the fascia. Our selection of exclusive seat trims offers you a more comfortable drive, while the elevated seating position provides a perfect view of the road ahead.

Main image shows Mazda CX-3 GT with optional Half Stone leather, half black LUX SUEDE® interior seat trim.

COMFORT THAT ADAPTS

The Mazda CX-3 seats five in supreme comfort. When you need to transport something larger than the regular boot space holds, the 60:40 split-folding rear seats easily make extra room.

Main image shows Mazda CX-3 GT with optional half Stone leather, half black LUX SUEDE® interior.

FLEXIBLE SEATING

With flexible seating and clever storage solutions, Mazda CX-3 can easily adapt to your needs.

FLAT FLOOR LOAD

The 60:40 split rear seats fold flat to provide a large, level load space with the flexible cargo board in the upper position.

FLEXIBLE CARGO BOARD*

In the upper position the cargo board provides a level load space when loading the boot and the added benefit of a completely flat load space with the rear seats folded.

FLEXIBLE CARGO BOARD*

A secure separate storage space beneath the cargo board allows storage of smaller items, whilst still allowing larger items to be placed above.

GET READY TO FEEL CONNECTED

The insightful technologies of the Mazda CX-3 are designed to deliver an engaging, driver-centric experience like nothing else. Connect with friends via social networking sites, and access a wide range of useful information via the advanced MZD Connect* system to make every journey as interactive as possible.

Experience the perfect combination of information, connectivity and entertainment in the Mazda CX-3. Connect your smartphone to get access to internet radio stations, podcasts and service information for safe in-vehicle use*. Enjoy your music using the vehicle's built-in DAB radio or connect mobile devices via USB or Bluetooth® streaming to make hands-free phone calls*. With a selection of useful technologies, the Mazda CX-3 delivers an interactive, engaging experience that replicates its sporty driving performance.

MULTIMEDIA COMMANDER*

While driving, the Multimedia Commander enables you to safely alter vehicle settings and browse large volumes of information from the MZD Connect. It is conveniently placed between the driver and front passenger seat and can be used as easily as changing gear.

The MZD Connect* system is divided into five sections as displayed on the home screen.

- 

COMMUNICATION

 - Easily make and receive phone calls via the Bluetooth® hands-free functionality
 - Access previous call history or contact information
 - Access aha™ to connect to Facebook and Twitter
- 

NAVIGATION**

 - Choice of routes - fastest, shortest, most economical and easiest
 - Point of interest search
 - Choose between 2D or 3D map view
- 

ENTERTAINMENT

 - Access to DAB AM/FM radio, CD / MP3, USB, AUX and Bluetooth® streaming from a connected phone
 - Listen to a connected device, such as an iPod® or USB storage device
 - Access aha™ and Stitcher™ apps for internet radio, audio books and podcasts
- 

APPLICATIONS

 - Monitoring fuel economy and showing status of i-stop
 - Information on next maintenance due dates
 - View vehicle warnings
- 

SETTINGS

 - Easily adjust audio, vehicle and other settings
 - Adjust the Active Driving Display

*Functional and regional restrictions may apply. Compatible mobile phone and internet connection required for some services, some services available at extra cost, please refer to footnote on page 39 for more information. MZD Connect is standard from Executive grade. **Navigation is an optional extra from Executive grade up.

QUALITY IN EVERY DETAIL

Every feature inside the Mazda CX-3 echoes the attention to detail our designers and engineers craft into every Mazda vehicle. Along with our high quality Bose® Sound System*, cleverly designed technologies help improve every journey and keep you entertained.

The surprisingly spacious interior of the Mazda CX-3 reflects the skill and craftsmanship of our designers to deliver a premium and driver-friendly environment. Essential driver information is displayed in the curved instrument panel using minimal downward eye movement. A selection of specifically placed Bose® speakers* helps deliver sharp and impressive sound quality, playing your music from CD and connected USB storage devices as well as via AUX and Bluetooth® connection**. With the combination of driving comfort and user-friendly on-board technologies, the Mazda CX-3 ensures the journey to your destination is made as easy and enjoyable as possible.

BOSE® SOUND SYSTEM*

Go where you want. Bring what you need. And enjoy the music you love. The Mazda CX-3 with custom-engineered Bose® Sound System.

BOSE® HIGH-PERFORMANCE SPEAKERS

- 1. Two 2.5 cm neodymium tweeters in the instrument panel.
- 2. Two 16 cm wide range speakers in the front doors.

- 3. Two 13 cm wide range speakers in the rear doors.
- 4. One 13 cm Richbass® woofer in a 10-litre custom engineered bass enclosure in the spare tyre wheel well.
- 5. Digital amplifier under the right front seat with Bose® Digital Signal Processing and 7 channels of customized equalization.

*Standard on GT grade, the addition of the Bose® Sound System reduces loadspace from 350 litres to 287 litres. Furthermore, the flexible cargo board can only be placed in the higher position as opposed to higher or lower positions.

ACTIVE DRIVING DISPLAY*

The Active Driving Display provides essential driving information including speed, turn-by-turn navigational directions (optional) and emergency warnings via a head up display. This advanced piece of technology is positioned at eye level, meaning you can focus on the road ahead whilst being kept updated on relevant vehicle information.

SATELLITE NAVIGATION***

Plan your journey quickly and easily with the integrated satellite navigation system.

SKYACTIV TECHNOLOGY

CREATED TO EXCITE

SKYACTIV TECHNOLOGY is all about manoeuvrability and ease of driving, improved fuel economy and lower CO₂ emissions – all of which make driving more fun. By offering the perfect balance of enjoyment, performance and efficiency, our award-winning range of vehicle technologies proves we create cars that defy convention.

TRANSMISSIONS

Offer accurate, faster gearshifts for improved driving pleasure and a sporty performance.

ENGINES

Deliver exceptional levels of power and a dynamic performance, as well as lower emissions and improved fuel economy.

BODY AND CHASSIS

Rigid and lightweight to offer the protection you need, combining a comfortable and sporty driving experience.

FOR AN INTELLIGENT PERFORMANCE

The Mazda CX-3 embodies the state-of-the-art design philosophy of Mazda. Our award-winning SKYACTIV technologies offer a responsive, sporty driving experience, providing a fuel-efficient performance without reducing any of Mazda’s legendary ‘fun to drive’ appeal.

SKYACTIV TECHNOLOGY

The philosophy of SKYACTIV TECHNOLOGY is about delivering top industry fuel economy and low CO₂ emissions, while offering a responsive and ‘fun to drive’ automotive experience. Our engines deliver a balanced combination of performance and fuel economy, ideal for driving both in the city and on motorways. Our body and chassis designs give you new levels of responsive driving and comfort. Our transmissions offer smooth and fast gearshifts for a sporty performance. Coupled with innovative technologies such as Mazda i-stop (start / stop system), SKYACTIV TECHNOLOGY enables the Mazda CX-3 to deliver an environmentally friendly and powerful performance.

NEW BENCHMARKS FOR PERFORMANCE

Mazda CX-3 offers compact and powerful diesel and petrol engines, including the new 1.5-litre SKYACTIV-D diesel engine delivering 105ps offering performance and economy as one.

MORE POWER TO YOUR WHEELS

The fun-to-drive aspect of the Mazda CX-3 is supported by the next-generation manual and automatic six-speed transmissions. The acclaimed SKYACTIV-DRIVE automatic transmission receives a more compact and lighter design, while maintaining a precise, crisp shift.

PRECISE AND COMFORTABLE HANDLING

The SKYACTIV-CHASSIS delivers exceptional handling and stability. Coupled with MacPherson struts at the front and rear torsion beam suspension, our chassis design enhances ride comfort while allowing for nimble steering and a fluid, powerful driving sensation.

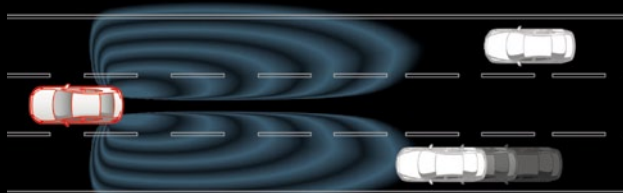

WHEN BODY MEETS SOUL

Using high-tensile steel to be rigid yet light, the SKYACTIV-BODY offers you protection, comfort and fuel efficiency with a sporty driving experience.

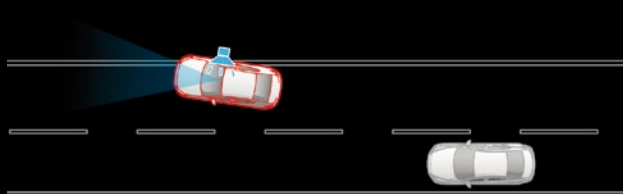

ADVANCED SAFETY TECHNOLOGY

The Mazda CX-3 incorporates technologies that are specially designed to aid you when driving on busy or overly populated streets, helping to avoid collisions or reduce their severity. An example of one of these technologies is **Smart City Brake Support (SCBS)***, which is designed to help minimise the risk of low-speed collisions. The system monitors the gap and closing speed of the vehicle in front, automatically braking if a collision is likely at speeds up to approximately 30 km/h. Combined with the rigid body, and both side and window airbags, each technology of the i-ACTIVSENSE system ensures you remain safe, without reducing comfort or Mazda's fun-to-drive experience.

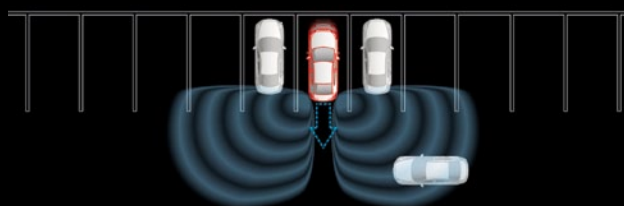

BLIND SPOT MONITORING SYSTEM (BSM)**

Uses sensors to alert you if a vehicle enters your blind spot. If you indicate to change lanes or a vehicle encroaches from up to 45m behind when driving, the system informs you via an audible warning alarm and flashing door mirror indicators. The alarm stops once it is clear, allowing you to safely change lanes.

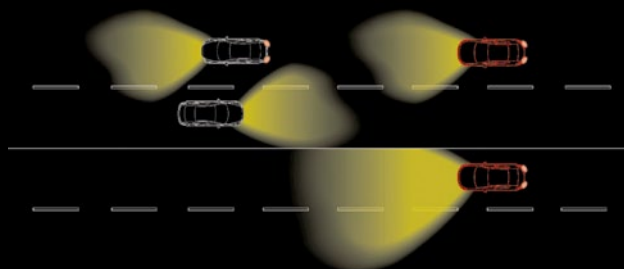

LANE DEPARTURE WARNING SYSTEM (LDWS)*

Designed to warn the driver if the vehicle inadvertently strays from its lane. A front-view camera monitors and calculates the car's position on the road, alerting the driver via an audible and visible warning if it starts to move out of the lane unintentionally.

REAR CROSS TRAFFIC ALERT (RCTA)**

Specifically designed for when you are reversing, the system alerts you of any vehicles or obstacles approaching from either side. An audible warning and flashing door mirror indicators inform you if any vehicles are within an unsafe distance. The alarm stops once the area is clear, allowing you to continue reversing safely.

HIGH BEAM CONTROL (HBC)**

Automatically switches the vehicle's LED headlights between high and low beams according to traffic conditions for optimum visibility. The system detects the headlights of oncoming vehicles or tail lights of those travelling ahead using a front facing camera so as not to blind other drivers, then switches back to high beam once the road is clear.

THE SAFEST PLACE ON THE ROAD

Mazda CX-3 contains an array of intelligent technologies that are designed to keep you safe and let you enjoy the drive, this is thanks to the i-ACTIVSENSE system.

Mazda CX-3

EXECUTIVE

STANDARD FEATURES:

- 16" alloy wheels
- Dual exhaust
- Power-foldable heated door mirrors
- Rear spoiler
- Halogen headlights
- Daytime running lights
- Hill Launch Assist (HLA)
- Tyre Pressure Monitoring System
- DAB radio with CD player, Bluetooth® connection and six speakers
- 7" colour touchscreen and Multimedia Commander
- Internet and radio integration
- Rear seats 60:40 split
- Leather-trimmed steering wheel and gear knob
- Dynamic stability control (DSC)
- Power windows front & rear
- Cruise control with adjustable speed limiter
- Driver and passenger front, side and curtain airbags
- Coming home / leaving home lights
- Manual air conditioning
- Steering wheel-mounted audio and Bluetooth® controls
- Power Starter Button and keyless entry
- Immobiliser and burglar alarm

OPTION:

- Integrated satellite navigation

POWER STARTER BUTTON AND KEYLESS ENTRY

Enables you to start the car without even holding the key.

7" DISPLAY WITH TOUCHSCREEN

MZD connect combines communication, entertainment and navigation (optional).

FLEXIBLE CARGO BOARD

High and low positions provide flexibility for different cargo loads.

MANUAL AIR CONDITIONING

Allows you to easily adjust the temperature of the interior to your needs.

Mazda CX-3

EXECUTIVE SE

IN ADDITION TO EXECUTIVE GRADE:

- LED headlights, LED daytime running lights, LED front fog lights & LED rear lights
- Rain-sensing wipers
- Auto headlights
- Lane Departure Warning System (LDWS)
- Smart City Brake Support (SCBS)
- Rear privacy glass
- Heated front seats
- Rear parking sensors
- Automatic air conditioning

OPTION:

- Integrated satellite navigation

HEATED FRONT SEATS

Perfect to keep you warm on chilly mornings.

REAR PRIVACY GLASS

Provides an extra level of sophistication by enhancing the stylish looks and offering extra levels of security.

RAIN AND LIGHT SENSORS

In low light conditions, headlights are automatically turned on. Sensors also regulate the frequency of your windscreen wipers, according to how heavily it is raining.

AUTOMATIC AIR CONDITIONING

Provides a comfortable driving environment.

Mazda CX-3

GT

IN ADDITION TO EXECUTIVE SE GRADE:

- 18" diamond cut alloy wheels
- DAB radio with CD AUX, USB connection, Bluetooth® and seven Bose® speakers
- Adaptive front lighting System (AFLS)
- Rear-view camera
- Half Leatherette seats, half black cloth trim with red piping*
- Bright side garnish

- Radiator grille in silver
- Smart keyless entry
- Active Driving Display

OPTIONS:

- Integrated satellite navigation
- Half Stone leather, half black LUX SUEDE® with red piping trim*

LED HEADLIGHTS WITH AFLS

Striking headlights with Adaptive Front lighting System (AFLS), point the headlights in your direction of travel to illuminate the way forward during cornering at night.

HALF STONE LEATHER, HALF BLACK LUX SUEDE® TRIM*

Provides your interior with a luxury, premium feel, along with adding comfort to every journey. (Option)

BOSE® PREMIUM AUDIO SYSTEM & DAB

Plays your music and radio stations at a high sound quality to keep you entertained as you drive.

ACTIVE DRIVING DISPLAY

The Active Driving Display provides essential driving information including speed, turn-by-turn navigational directions (optional) and emergency warnings via a head up display.

ACCESSORIES

A wide range of vehicle accessories for the Mazda CX-3 are available to improve every journey. These additional extras for the exterior provide new levels of driving convenience, as well as helping your Mazda CX-3 stand out and be unique.

SPORTS AERO ACCESSORY PARTS PACK & KODO DECALS SET

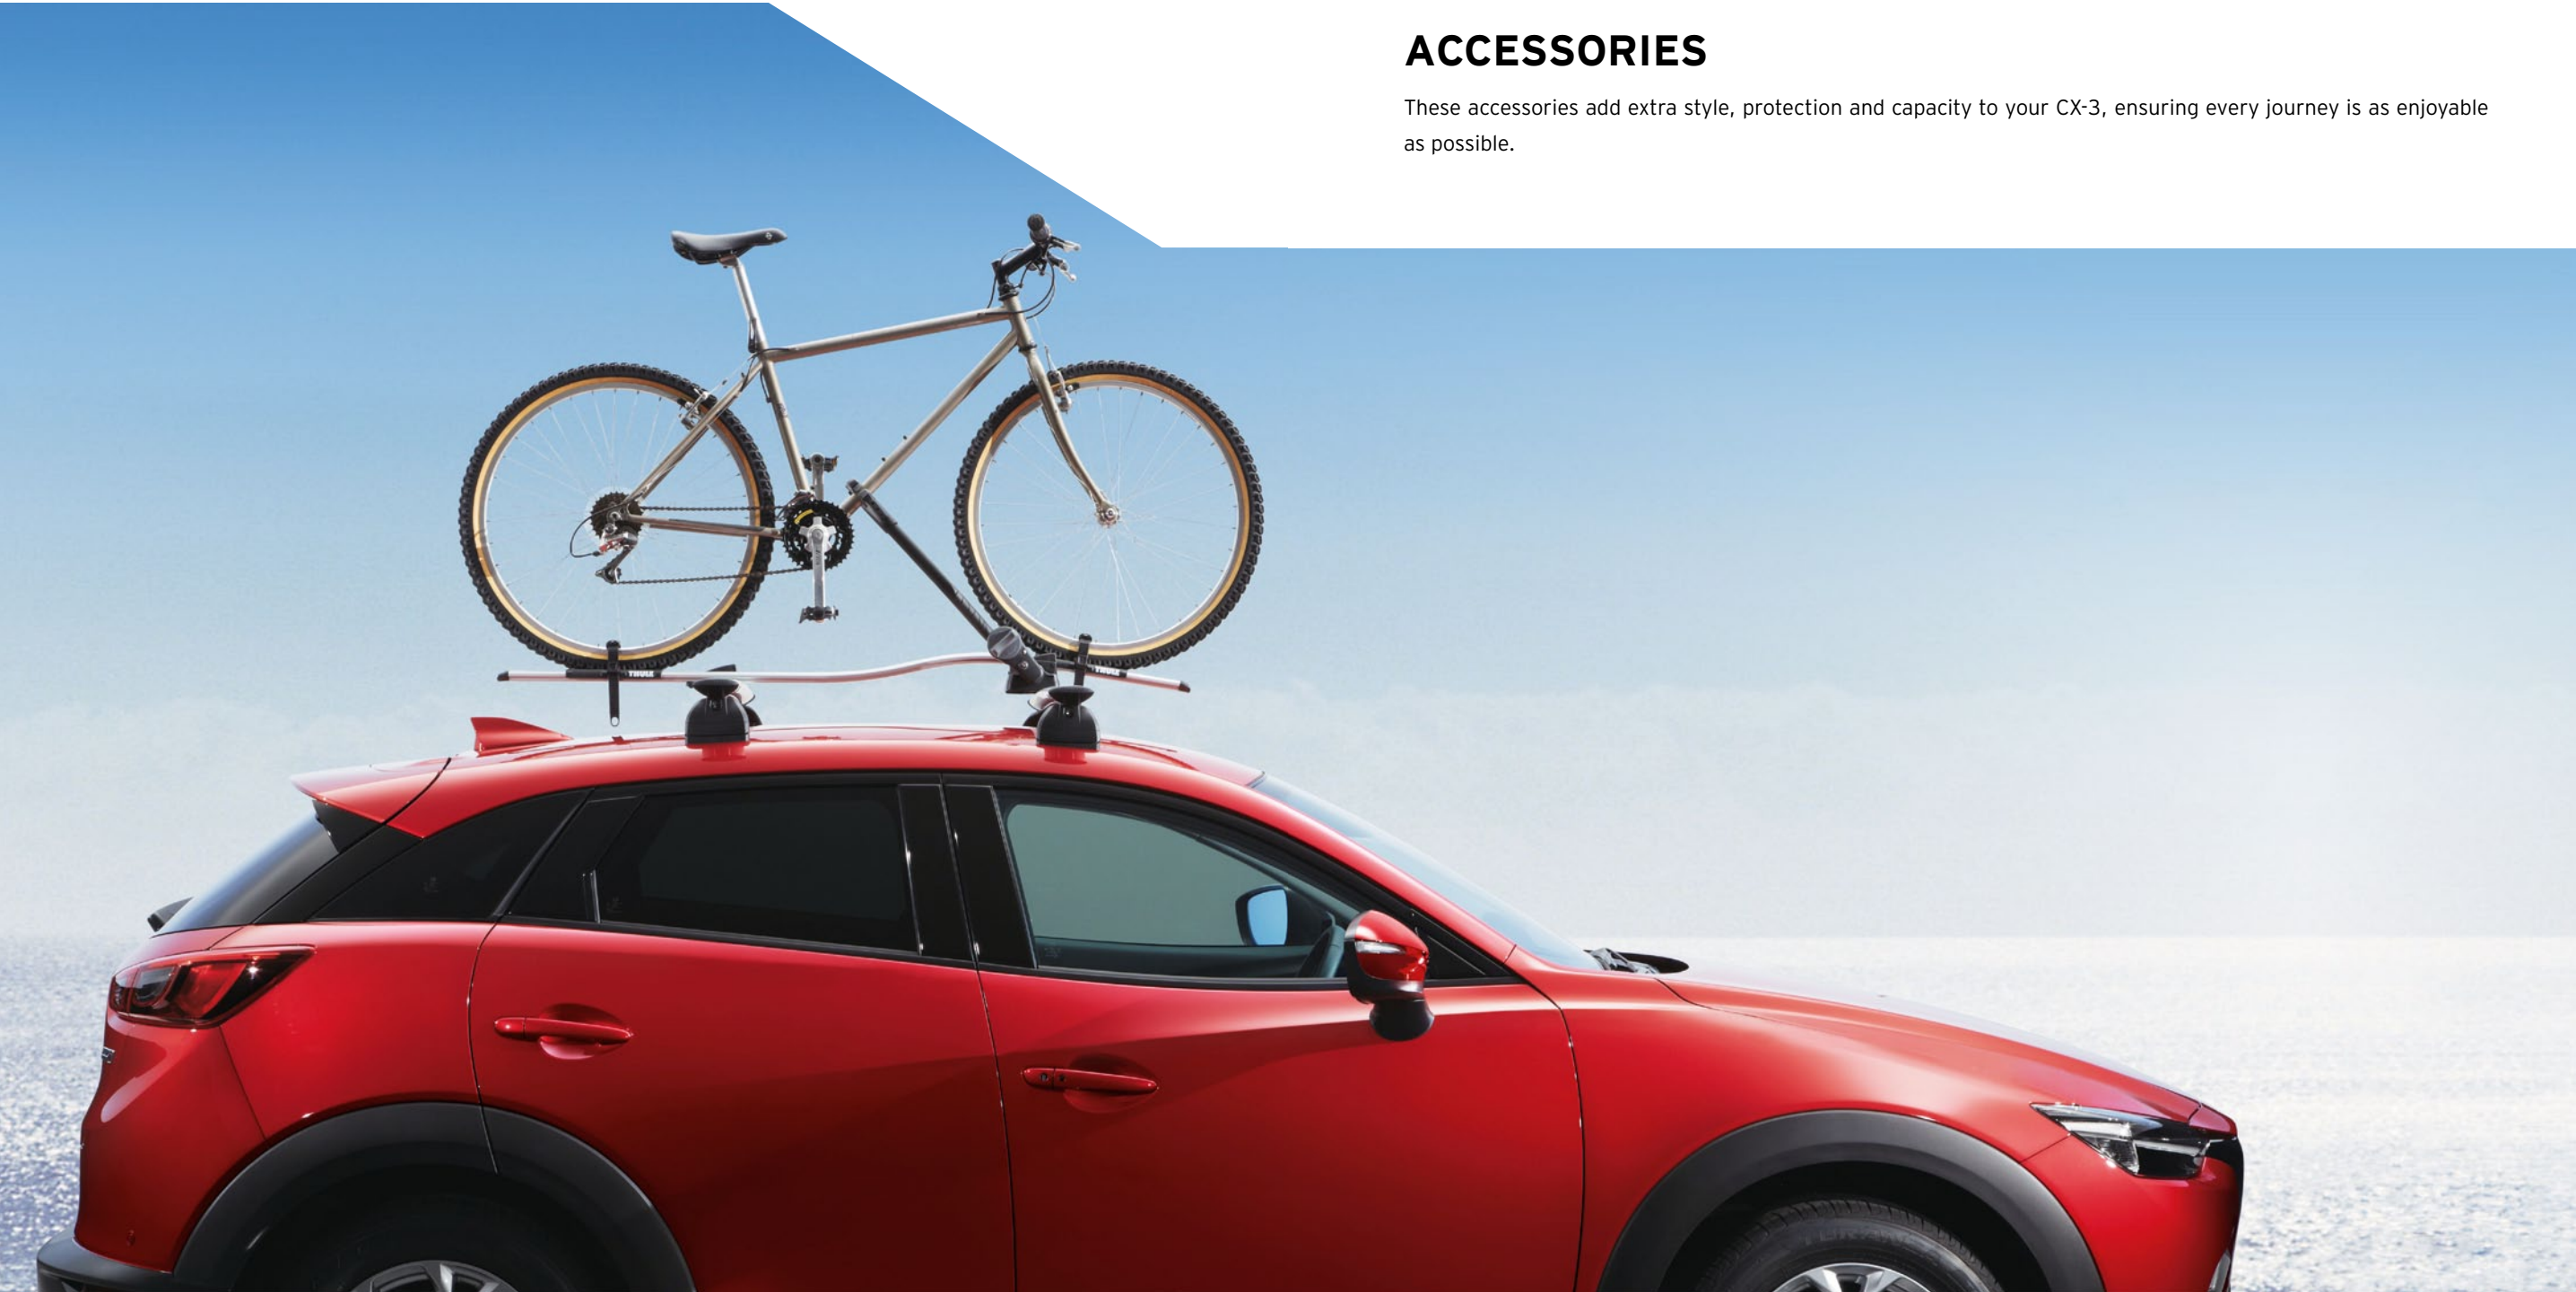

18" 5X2-SPOKE ALLOY WHEELS
DIAMOND CUT (STANDARD ON GT)

18" 10-SPOKE SILVER FINISH ALLOY

BUYING AND OWNING

Hold your smartphone over the QR code to get more information about Mazda.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a **3-year warranty** for up to 100,000 km. Other available warranties for new vehicles include the Mazda **3-year paintwork warranty**, and a **12-year warranty** against corrosion. **Mazda Europe Service** offers cover in the event you require breakdown assistance, or if your vehicle is stolen or is involved in an accident. And as part of our **Mazda Service Promise**, we train all technicians in the fitting of high-quality parts, all of which come with a full Mazda warranty.

FINANCE

Mazda Finance offers a variety of finance packages to suit the needs of both private and business customers. With our wide choice of plans, nobody is more committed to delivering complete motoring confidence than Mazda and Mazda Finance.

WHAT YOU CAN EXPECT FROM MAZDA FINANCE:

- Face-to-face service from trained, plain-talking people at your local Mazda Dealer
- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs
- A Personal Contract Plan (PCP) which is individually tailored to give you flexible finance options

Please ask your sales executive for a tailor-made finance quote for your new car.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our **SKYACTIV TECHNOLOGY** range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the **Configurator** on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of body colours, seat trims and engine designs. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.
